

- A Task Force was created for each M-CORES corridor.
- Representatives include state agencies, regional planning organizations, local governments, environmental protection groups, and other local stakeholder groups.
- Each Task Force will evaluate the following within their corridor:
 - Needs of the study area,
 - Economic and environmental impacts,
 - Hurricane evacuation impacts,
 - Land use impacts, and
 - Design features to protect or mitigate environmental impacts.
- Through their analysis and the public engagement held as part of the Task Force process, **guiding principles and recommendations** will be developed by each Task Force for their respective study area.
- Final report from each Task Force will be submitted to the Governor, President of the Senate, and Speaker of the House of Representatives by **October 1, 2020**.
