

Community Open House — Southwest-Central Florida Connector

The Florida Department of Transportation (FDOT) will host a Community Open House to share information about the Florida Multi-Use Corridors of Regional Economic Significance (M-CORES) Southwest-Central Florida Connector, which extends from Collier County to Polk County.

The purpose of the Community Open House is to provide an opportunity for the public to view information presented at the Task Force meetings for the Southwest-Central Florida Connector.

There will be two different ways for the public to participate in this open house: in-person and online (virtual).

The in-person Community Open House will take place at Charlotte Harbor Event and Conference Center, 75 Taylor Street, Punta Gorda, FL 33950 on Tuesday, October 20, 2020 from 5:30 P.M. to 7:30 P.M. Attendees will be able to view displays, speak to project staff, and submit handwritten comments.

Those wishing to view the same materials online (virtual) without visiting the Community Open House can visit www.FloridaMCORES.com anytime beginning Monday, October 19, 2020. Comments can be submitted through the website, by email to FDOT.Listens@dot.state.fl.us, or by mail to 605 Suwannee St, MS 54, Tallahassee, FL 32399-0450. All comments will be part of the public record.

As safety remains FDOT's top priority, enhanced safety and sanitation measures will continue to be taken at all in-person M-CORES events, including complying with any local ordinances and venue requirements.

The Florida Department of Transportation may adopt the result of this planning effort into the environmental review process, pursuant to Title 23 U.S.C. § 168(4)(d) for the state project development process.

Public participation is solicited without regard to race, color, national origin, age, sex, religion, disability, or family status.
