| Task Force Meeting #1  
August 27, 2019  
Plenary session with breakouts for each Task Force | • Provide overview of legislation and M-CORES program  
• Review Task Force role and responsibilities  
• Provide briefing on Florida’s Government in the Sunshine Law and Public Records laws  
• Share background information on corridor planning and Task Force products  
• Identify potential considerations for future discussion at Task Force meetings  
• Develop Task Force consensus on work plan, meeting schedule, and overall outcomes |
| Task Force Meeting #2 and  
Community Open House  
October 2019 | • Introduce approach for identifying Avoidance, Minimization, Mitigation, and Enhancement (AMME) considerations  
• Discuss avoidance and minimization considerations for developing corridor opportunities  
• Discuss potential guiding principles for avoidance and minimization  
• Receive public comment |
| Task Force Meeting #3 and  
Community Open House  
December 2019 | • Review M-CORES vision and Task Force goals  
• Highlight the data/fact sheets by various public agencies and organizational partners  
• Review corridor planning and project development process  
• Discuss purpose of the corridor  
• Discuss regional and local needs  
• Discuss the AMME considerations for community and economic resources  
• Receive public comment |
| Community Open Houses  
January 2020 | • Community open houses in each study area to share information about the process and gather public input about AMME considerations |
| Task Force Meeting #4  
February 2020 | • Receive public comment summary to date  
• Review economic and workforce development opportunities  
• Review regional and local plans and visions to identify considerations for corridor planning  
• Review corridor planning process  
• Discuss draft AMME guiding principles and identify avoidance areas  
• Receive public comment |

</table>
| Task Force Meeting #5         | - Discuss corridor utility needs and opportunities  
                                - Discuss draft high-level needs summary  
                                - Review public engagement activities and public input received to date  
                                - Review additional data requested by Task Force and proposed Task Force avoidance comments  
                                - Discuss existing corridor enhancement opportunities  
                                - Refine draft AMME guiding principles  
                                - Receive public comment                                                                                                                                                                               |
| March-April 2020              |                                                                                                                                                                                                          |
| Task Force Webinar #1         | - Receive update on Task Force activities  
                                - Receive briefing on process for identifying avoidance and attraction areas as input to Task Force recommendations  
                                - Describe “homework” process for receiving Task Force member input prior to next in-person meeting  
                                - Receive public comment                                                                                                                                                                               |
| April 2020                    |                                                                                                                                                                                                          |
| Task Force Webinar #2         | - Receive briefing on emerging technology trends and opportunities  
                                - Discuss implications of emerging technologies for corridor development  
                                - Receive public comment                                                                                                                                                                               |
| May 2020                      |                                                                                                                                                                                                          |
| Task Force Webinar #3         | - Receive briefing on opportunities for coordination of broadband deployment with corridor development  
                                - Obtain Task Force member input on implications for high-level needs and guiding principles  
                                - Receive public comment                                                                                                                                                                               |
| June 2020                     |                                                                                                                                                                                                          |
| Task Force Virtual Meeting #4 | - Receive update on Task Force work plan and recommendations framework  
                                - Receive update on avoidance and attraction layers  
                                - Refine high-level needs and guiding principles and identify potential instructions for project development and beyond  
                                - Receive public comment                                                                                                                                                                               |
| June 2020                     |                                                                                                                                                                                                          |
| By June 30, 2020              | - FDOT submits report on Construction Workforce Development Program to Governor and Legislature                                                                                                                                                                    |
| Task Force Meeting #6         | - Review public engagement activities  
                                - Establish initial consensus on high-level needs  
                                - Discuss and refine draft guiding principles  
                                - Discuss draft instructions for project development and beyond  
                                - Review draft report outline and report drafting process  
                                - Review corridor planning activities  
                                - Receive public comment                                                                                                                                                                               |
| July 2020                     |                                                                                                                                                                                                          |
| July 2020                     | - Florida Transportation Commission presentation                                                                                                                                                                                                                        |
## Task Force Revised Work Plan

<table>
<thead>
<tr>
<th>Meeting</th>
<th>Objectives</th>
</tr>
</thead>
</table>
| Task Force Meeting #7 and Community Open House August 2020             | - Discuss how Task Force recommendations will be used to identify and narrow paths/courses  
- Provide update on recommendations framework and work plan  
- Establish initial consensus on guiding principles  
- Discuss draft instructions for project development and beyond  
- Review draft Task Force report sections with focus on high-level needs  
- Receive public comment                                                                                                                                                                                                                                                   |
| Task Force Meeting #8 and Community Open House September 2020          | - Provide update on public comments received to date  
- Discuss how Task Force recommendations will carry forward into planning and project development  
- Review draft Task Force recommendations and draft final report  
- Discuss draft plan for future FDOT activities  
- Discuss plans for Task Force and public comment on draft report  
- Receive public comment                                                                                                                                                                                                                                                   |
| September 29, 2020 – October 14, 2020                                 | - Public comment period on draft Task Force recommendations                                                                                                                                                                                                                                                                           |
| Task Force Meeting #9 and Community Open House October 2020            | - Receive public comments  
- Review summary of public comments on draft report  
- Discuss revisions to final draft Task Force report  
- Finalize Task Force report                                                                                                                                                                                                                                               |
| By November 15, 2020                                                  | - Submit Task Force report to Governor and Legislature                                                                                                                                                                                                                     |
